3. Discussion questions

Q: What's your preferred type of public transportation?

I prefer to **take** the train since it's so much quicker than **taking** the bus.

The public transportation in Seoul is really good compared to other cities too.

Q: What was the most recent trip you took?

Recently I **took a trip** back home in December to Australia to visit family and friends.

I **took a month off** and it was really nice to be back home for the summer.

Q: Where would you most like to travel to?

At the moment I'm really keen to go to Italy and Malta.

I'm planning to **go on a holiday** there and take my Dad back to his hometown.
