What Should I Order?

Trisha: What are you going to get, Grandma?

Edith: I don't know. I've heard their meatloaf is great, but I've never been here for lunch before.

Trisha: Really? You make great meatloaf at home. Why don't you try something different? Like the Cajun Chicken Salad. Here, take a look. I usually get my dressing on the side.

Edith: What, this one here? I don't think so. Last time I had Cajun food, I was in the bathroom for hours.

Edith: All right. As long as they don't slip any onions in it.

Trisha: Trust me—you'll love it!
