IH 보장 Practice!

[서론] I'd like to tell you about the last time I went to the movies.

[언제] It was two weeks ago.

[어디로/ 누구와] I went to Lotte Cinema near my house with my friend.

[보았던 영화] We watched "Secretly Greatly" which is a Korean movie. The movie was not as good as I had expected, but I enjoyed hanging out with my friend at a movie theater on weekend.

[영화보기 전] I reserved the tickets on the internet a few days earlier. I didn't have to print out or pick up tickets at a counter because I had my mobile tickets. When I arrived at the theater, I bought popcorn and sodas as usual.

[영화 본 후] After the movie, My friend and I went for a drink. Actually, we hadn't seen each other for 3 years. So, we made conversation at a bar for a while.

[그날의 느낌] When I got home, I was quite tired but pleasant to spend time with my old friend.

IH 보장 Practice!

[서론] I'd like to tell you <u>how my interest in movies has changed</u>.

[과거의 취향] Until a few years ago, I liked to watch romance movies. I enjoyed watching these kinds of movies because just like every woman, I dreamed that one day I would meet a man who would sweep me off my feet. Also, watching romance movies was a good way to get rid of stress.

[지금의 취향] These days, I still like to watch romance movies but I prefer to watch action movies. Action movies have simple storylines and I don't like to see movies that are too serious or sad. Another thing about action movies is they tend not to deal in grey areas. I mean the story is clearly defined right or wrong.
