[우리나라 대중교통 종류] There are two types of public transportation in my country. They are buses and subways.
[내가사는 동네의 교통] I live in Seoul which the capital city of Korea. There are many different buses and subway lines and it's convenient to go anywhere in the city.
[내가 선호하는 교통수단] I prefer to take the subway both during the week and the weekend because there is no traffic jam and they arrive on time. Also, it is easy to transfer to another subway line. Especially, there are big shopping malls and department stores located near subway stations. So, it's easy to go shopping and kill time while waiting for someone.
[마무리] That's why I prefer to take the subway in my city.

2) 대중교통을 이용하는 일상적인 하루 묘사

IH 보장 Practice!

[아침 패턴] I usually wake up early in the morning to go to work because I start working at 7am. So, I often skip my breakfast or buy a cup of coffee and a bagel with cream cheese at a café near my company.

[통학/통근 길] I commute to work by subway because there is no traffic jam and it's faster to get to work. First, I take a bus to go to the subway station from my house, and then, I take the green line which is line number 2. I spend about thirty minutes on the subway. Then, I get off at Gangnam station. From the station, I walk 5 minutes to get to my company. Overall, it takes about 40 minutes to get to work from my house by subway.

③ 대신 이용했던 교통수단

I decided to take <u>다른 교통수단</u> instead of taking <u>평소에 이용하는 교통</u> because <u>이유.</u>

④ 느낌

<u>그 일이 있은 후 느낌 (또는 배운점) 묘사.</u>

IH 보장 Practice!

[평소에 이용하는 교통수단] As I mentioned earlier, I always take the subway during the week and the weekend. It usually takes 40 minutes from my house to work by subway.

[일어난 일] One morning, I thought it was a quiet Sunday morning when I opened my eyes. After a moment, I felt something was wrong then I looked at the alarm clock. I realized that it was Monday and I woke up an hour later than usual. I was horrified by what happened to me. I couldn't do anything but rushed out of my house after washing my face quickly.

[대신 이용했던 교통수단] I decided to take a taxi instead of taking the subway that day. I asked the taxi driver to drive fast and I explained my situation. He drove really fast like a car racer. It only took 15 minutes to get to my workplace from my house. Fortunately, I arrived at work on time, but I looked terrible in the mirror.

[느낌] It was a terrible day which I don't ever want to experience again in my life.

이것만은 꼭 기억하자!
