I agree with the statement that online news is more widely available compared to printed newspapers. Here are some reasons to support my opinion. First of all, people increasingly rely on the Internet-based information because they have easy access to the Internet through their smart phones or tablets. So, in this regard, people can read online news at any time, from anywhere with their smart phones or iPads as long as they have an Internet connection. In addition, they don't have to pay money for online news. For example, in my case, I prefer to read online news rather than to read printed newspapers. This is because I can easily read online news with my smart phone at anytime and anyplace as long as I have an internet connection on my smartphone. For these reasons, I agree with the statement.

I think customer service is the most important thing to succeed in a new business. Here are some reasons to support my opinion. First of all, customer service is the essential thing for the success of today's business. As you know, without customers, any company would not exist in a business at all. So, in this regard, customer service is very important to succeed in a new business. For example, if customers are satisfied with a company's customer service, they would recommend the company's products and services to their family or friends. After all, it is good for the company as well as for the customers. For the reason, I choose customer service.
