교통정보 II

Now, time for today's traffic report brought to you by Marine Insurance. Currently, commuters heading east, north, and south from the city are experiencing heavy traffic. However, traffic is flowing easily on roads heading west toward the mountains. As the rush hour continues, we will provide updates every fifteen minutes.

And now, we have an update on the local weather. Heavy rains are predicted for the area today. Because the rain is expected to be the heaviest in the afternoon, several outdoor community events have been canceled. These events include the farmer's market on the main street, swimming lessons at the public pool, and the jazz concert at Gordon Park.
