PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (기술)

Imagine that a research company is conducting a survey about a school or workplace in your area. You have agreed to participate in a telephone interview about new technology.

[Q4] Which piece of technology do you use most often at your school or workplace? When was the last time you used it?

[A] The piece of technology I use most often at my school is my cell phone.
The last time I used it was a few hours ago.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (기술)

[Q5] What kind of new technology would you like your school or workplace to have and why?

[학생] I would like my school to have wi-fi connection in all classrooms. I want to get access to the internet during classes.

[직장인] I would like my office to have wi-fi connection in all meeting rooms. I want to get access to the internet during meetings.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (기술)

[Q6] Do most of your classmates or co-workers like getting new technology? Why or why not?

[A] Most of my classmates like getting new technology.
Having new technology makes our lives very convenient.
Also, it makes our lives a lot easier.
The more we use new technology, the better our lives become.
Once again, most of my classmates like getting new technology.

RESPONSE TIME
00:00:30

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (인터넷)

Imagine that an Internet service company is doing research in your area. You have agreed to participate in a telephone interview about internet service.

[Q4] On a typical day, how much time do you spend using the internet at home, and what kind of device do you usually use to connect to the internet?

[A] I use the internet at home all day.
I usually get access to the internet on my cell phone.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (인터넷)

[Q5] When you are at home, what activities do you do on the internet the most, and why?

[A] When I am at home, I do various types of things on the internet. Among them, I do online searches or watch video clips the most.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (인터넷)

[Q6] Besides the price, what are some reasons for changing companies for internet service?

[A] Some reasons for changing companies for internet service are brand and service quality.
I consider how well-known the brand is.
Also, I consider how good the service quality is.
Once again, some reasons for changing companies for internet service are brand and service quality.

RESPONSE TIME
00:00:30

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (전화기)

Imagine that a telephone company is doing some research in your area. You have agreed to participate in a telephone interview about your mobile telephone service.

[Q4] About how much time do you spend using your phone?
Do you spend the most time talking or using other functions?

[A] I use my phone all day.
I get access to the internet on my phone.
I do online searches or watch video clips most often.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (전화기)

[Q5] How long have you been with the company that currently provides your mobile telephone service?
And are you satisfied with that company?

[A] I have been with my mobile carrier for a few years.
I am satisfied with that company and its service.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (전화기)

[Q6] How did you choose your current mobile telephone service provider?

[A] I chose my current mobile carrier by doing online searches.
There were some good comments about the company.
So, I decided to choose that company.
I am happy with their service.
The phone bill is reasonable as well.
Once again, I chose my current mobile carrier by doing online searches.

RESPONSE TIME
00:00:30

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (SNS)

Imagine that an English marketing firm is doing research on internet trends. You have agreed to participate in a telephone interview about social networking websites.

[Q4] When was the last time you used a social networking website?
How much time do you spend on it?

[A] The last time I used a social networking website was a few days ago.
I do that at least once or twice a week / on average.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (SNS)

[Q5] Do people around you use social networking websites for professional reasons? Why or why not?

[A] People around me use social media for professional reasons. Many people use social media to promote their business.

RESPONSE TIME
00:00:15

PART.3 Respond to Questions (질문에 대답하기)

PERFECT RESPONSE (SNS)

[Q6] Which of the following would be most important to know if you would choose a new social networking website?

- Number of friends using
- Types of contents
- Comments from other users

[A] The comments from other users would be most important to know.
I can choose a new social networking website more easily.
I can save time and energy.
I always like to spend my time efficiently.
Once again, the comments from other users would be most important to know.

RESPONSE TIME
00:00:30
