Recreation Center Renovations

We are sorry to announce that the Recreation Center will be closed for the summer session, from June 1st to September 15th, for renovations. It has been more than ten years since the facility was built, and since then, the student population has expanded. The current Recreation Center is no longer able to accommodate the increasing number of students on campus, so the plans will include the expansion of the pool, gym, and weight room as well as the purchase of new weight and cardio machines. We apologize for any inconvenience this may cause you, and we hope to see you all in September!

Note-Taking

- R : Recreation Center will be closed for renovations during the summer session

M/W : O/X

Expressions

- Recreation Center will be renovated during the summer.
 - Uni. will renovate the recreation center during the summer session.
- ∴ the current one cannot accommodate the increasing number of students any more.
- ∴ the number of students has been increased a lot over 10 yrs.

Listening

M : They've got to be joking! The gym is going to be closed all summer?!

W : Yeah, they're expanding. It's going to be bigger. And they're expanding the pool and gymnasium, too. They said the facilities have gotten too small and there isn't enough equipment for the number of students.

M : What? It doesn't make any sense. I use the gym all the time, and there are hardly any people there. And I've never had to wait in line for any of the equipment... even in the morning when it's busiest. It doesn't need to be expanded at all!

W : Hmm, I see your point but still, they are buying new equipment. The facilities are getting a little old. Aren't they?

M : No, they are not that old. In fact, there's nothing wrong with the current facilities at all. The equipment in the weight room is still in good shape. And there's nothing really wrong with the gym or the pool.

W : Well, but I guess the school wants to do something about it, though.

M : All they need to do is clean them up a bit and repaint them. I think it's a waste of money to make those renovations and buy new equipment.

Note-Taking

1. Reading

According to the reading passage, the recreation center will be closed for renovations during the summer session. This is because the current facilities cannot hold the increased number of students on campus any more.

2. Listening

The man in the dialogue thinks that this is a really bad idea. He gives two reasons.

3 Reason 1/2

First of all, he says that the gym doesn't need to be expanded because he uses the gym all the time, but he never has to wait in line to use equipment. So, he thinks it's not necessary for school to expand the gym.

Secondly, he mentions that there is nothing wrong with the current facilities. Everything is still in good condition. He believes it's a waste of money to buy new equipment. If school wants to do something, all they need to do is clean them or repaint them.

4. Conclusion

So, for these reasons, he thinks this whole plan is a really bad idea.

Announcement on the Removal of TV in the Cafeteria

Please be advised that the projection TV in the main cafeteria at Raleigh House will be moved to the Recreation Center at the end of this month. The first reason brought up was that quite a few students have meetings and study in the cafeteria, and the noise from the television disturbs them. Also, the cafeteria is an important place to talk and get to know one another. Having the projection TV in the cafeteria interferes with this. Therefore, to help build relationships among students, we have decided to move the projection TV to the Recreation Center on the third floor. For further information, please contact the Housing Committee.

Note-Taking

➤ R : The projection TV will be moved out of the main cafeteria.

M/W : O/X

- Uni. will move the project TV in the main cafeteria to the Recreation Center.
- ∴ TV noise interferes with students' concentration and socializing.
- ∴ Noise from the TV makes it difficult for students to concentrate and socialize with others.

Listening

M : Did you read that they're going to get rid of the TV in the cafeteria?

W : That's a good idea, I guess.

M : Come on, we need some place to just relax, don't we? We're all so busy with school work and studying. In the cafeteria, we should be able to just relax and watch TV if we want to.

W : Yeah, you've got a point. I suppose it's good to have a place to just relax.

M : Exactly. Since we're all adults here, we can make our own decisions about how to spend our time. If you want to talk, talk. If you want to watch TV and relax, you should be able to do that, too.

W : But people who want to study would definitely have hard time concentrating because of the TV noise.

M : People who want to study should go to the library or the study hall. That's what those places are for.

W : Okay, but what about the point about the TV interfering with people getting to know one another?

M : I think that point makes no sense at all. In fact I believe TV can be a really

helpful tool to make friends with others or break the ice. When students meet other people for the first and don't have common things to talk about, they can make conversation by talking about what's being shown on the TV.

W : Hmm. I guess I've never thought of it from that point.

Note-Taking

➤ R : The projection TV will be moved out of the main cafeteria.

레크리에이션 센터 보수 공사	Recreation Center Renovations
<p>보수 공사 때문에 6월 1일부터 9월 15일까지 여름 학기 동안 레크리에이션 센터를 폐쇄하게 되는 점 유감스럽게 생각합니다. 본 시설이 건설된 지 10년이 넘었고, 그 이후로 학생수가 늘어났습니다. 현재의 레크리에이션 센터는 학교의 증가하는 학생 수를 더 이상 수용할 수가 없으므로, 수영장, 체육관 및 체력 단련실의 확장뿐만 아니라, 새 중량 기구 및 심근 강화 운동 기구의 구입 계획이 있습니다. 불편을 끼쳐 드리는 점 죄송하게 생각하며, 모두 9월에 뵙기를 희망합니다!</p>	<p>We are sorry to announce that the Recreation Center will be closed for the summer session, from June 1st to September 15th, for renovations.
