- ❖ 유형 2 - 특징 + 설명 (답 2 + 세부사항 2)
- ❖ Skill Practice 7

What is the most important object in your life?

Sample Answer

In my life, the most important object is the smart-phone that I use. It is very convenient to use because it has many functions such as making phone-calls, taking pictures, and even searching for information on the internet as well. And, I guess this small device took our lives to the next level because with that phone, I can talk to my friends who live on the opposite side of the world, face-to-face, any time I want.

Brainstorming

- important object – smart-phone
- 1) convenient (many functions /ex. make calls, take pictures, search info.) + check emails
- 2) next level (talk to friends living far, face to face, any time)
