## Question\_유형 2

### ❖ 찬/반

어떤 한 가지 의견이나 상황을 놓고 그것에 동의하는지, 동의하지 않는지를 선택하고 그 근거를 나열하는 문제

### ❖ Sample Question

Television has had a negative influence on society. Do you agree or disagree with this opinion and why? Include details and examples to support your explanation

### Sample Answer

I don't think that TV has only had a negative influence on society. Television is sometimes a very good way to get information. For example, it's much faster than a newspaper. Plus, there are many educational programs that can actually teach you a lot. I also think that TV can sometimes bring people together. When my friends and I get together, we sometimes talk about interesting TV shows that we've watched. (So, I don't think TV always has a negative influence.)

### Brainstorming

➤ TV – good

- 1) way to get info. (faster than a newspaper/ educational prog.)
- 2) bring ppl together(friends - talk about interesting TV shows)

## Speaking with Templates

### 1. 도입

I don't think TV has had a negative influence on society.

### 2. 연결

There are actually several reasons for this.

### 3. 이유 및 구체적 근거

The first reason is that TV is a good way to get information

To be more specific, there are many educational programs that teach me a lot. I can learn so many things from them. Plus, TV news is much faster than newspapers and also much more reliable than Internet news.

Another reason is that TV can sometimes bring people together. When my friends and I get together, we sometimes talk about interesting TV shows that we've watched. Sometimes even when I meet other people for the first time, it's easy to make conversation by talking about things we've seen on TV.

#### 4. 마무리

So, for these reasons, I disagree.

## Brainstorming Line #1

<TV/Computer/Laptop/Cell-phone/SNS> + <Video game/Computer game>

1. convenient - good way to get info. – find info. easily by using Internet

(Everyone has different levels of knowledge.)

2. easy way to make friends with others

- to keep in touch with friends (who live far away from where I live)

- to make conversation by talking about things they've seen on TV

(things being discussed on the website)

## Brainstorming Line #2

<X TV/Computer/Laptop/Cell-phone/SNS> + <X Video/Computer games>

1. cause addiction problem – spend a lot of time~

ex. TV is something that people can easily be addicted to.

2. cause health problem – have a negative health effect

ex1. People these days lack physical activity because of the conveniences of new technology.

ex2. Since people sit in front of computers all day, they usually develop bad postural habits.

ex3. Our eyesight can worsen from watching the screen for a long time.

3. give distraction

ex. People easily get distracted by text-messages or phones ringing and buzzing.

### Skill Practice 7

Q. Physical education should not be part of the school curriculum.

Do you agree or disagree with this statement and why?

Include details and examples to support your explanation.

### Brainstorming Line

<체육/음악/미술/예술/역사/경제/교양 과목 X>

1. Students are all busy with their major courses. They don't have time to take other courses. In order to get a good grade, I think it's better to focus only on their chosen subjects.
2. It's unfair to make people take courses they don't enjoy taking. Everything will be graded in the end, but not everyone has athletic talent. In that case, they have to suffer from the lower GPA. \*경쟁조커
