Unit 10

Questions 10-12 refer to the following telephone message.

Hi, my name is Tara Jenkins. You were recommended to me by my coworker, George Pearce. He used your plumbing company for some repairs recently and he was really happy with the results. I'm calling because I need someone to fix the pipes under the sink in my kitchen. The pipes are leaking whenever I turn on the water, and I'm afraid it will eventually cause major damage to my kitchen floor. I was hoping you could stop by my house some time next weekend and make some repairs. I live at 3125 Washington Drive.

Unit 11

Questions 16-18 refer to the following announcement and schedule.

Good afternoon. Welcome to the annual Brainstorm Education Seminar. I just wanted to inform everyone that there has been a slight change to our schedule. There was some unexpected road work on Highway 203, so Professor Sia is taking side streets to get here. Therefore, her lecture will start 15 minutes later than scheduled. In order to avoid pushing back the other event times, we will shorten our break. We apologize for the inconvenience. Now, I would like to welcome Carl Myers, President of the Brainstorm Education Co., who will briefly talk about his company's history.
