Unit 09

Questions 10-12 refer to the following conversation and coupon.

**M:** Hi, I bought this video recorder here last year, but recently it's been shutting off without warning. Unfortunately, the warranty on it has expired. So I'll have to pay to get it repaired.

**W:** Sure. But we're backed up on a lot of orders right now, so we won't be able to look at it until next week.

**M:** Oh, couldn't it be done any sooner? I'm going on a trip this weekend, and I was hoping to take it with me.

**W:** Well, we do have a priority repair service which would have your video recorder back to you in three days. But that would cost you \$50.

**M:** I guess that can't be helped. Also, I brought this repair service coupon with me.

**W:** You can use that coupon when you come back to pay for the repair.
