Listening Script

Required Writing course

W: Hey Billy, do you know that we have to take writing courses now?

M: Uh huh, and I think it sounds like great.

W: Huh? Why do you say that?

M: Well... you see....I always needed stronger writing skills. I've always made so many grammar mistakes in my reports.

W: Oh, I didn't know that...

M: Yeah, and another thing is that... these writing courses can help prepare me for graduate school. We have to write so many reports in graduate school.

W: I see, then maybe we should take some classes together.

Gymnasium expansion plan

M : Hey, I heard the university is going to expand the gym! This is good news, isn't it?

W: Actually, I don't think it's really necessary.

M: Why do you say that?

W: Umm... For starters, the gym is never too crowded when I go there. I exercise there everyday, and I never had to wait in line in order to use the machines.

M: Okay, but what about the extra facilities? Won't they be fun?

W: Now, that's the other thing.. I think that adding extra facilities is just a waste of money. Right now, we already have so many facilities, such as a tennis court and a swimming pool.

M: Hmmm... you do have a point there.

New Art building

M : Do you think that constructing a new art building is a good idea?

W: Definitely. The university made the right decision.

M: Really? Care to explain?

W: Come on, you should already know.. The rooms in the current building are so dark and worn out! I mean....it's so hard to draw pictures or paint anything there.

M: You're right. Those rooms are so old and disgusting.

W: And... if they construct a new art building, I think it will help improve our school's reputation.
Then, more students will want to come to our school
