## 1. Day 6 Review

The university decided to begin construction of a new art building this is because the rooms in the current art building are too small and dark. The woman agrees with the university's decision and gives two reasons why. First of all, she says that the rooms in the current building are too dark and worn-out, so it is hard to draw anything there. Second, she argues that this decision will help improve the reputation of the school. Then, more students will come to their school.

## 2. 6번 유형을 위한 TIPS

### Tip 1: 6번 유형에서 가장 많이 등장하는 분야

1위: Biology

2위: Psychology

3위: Business

### Tip 2: 6번 유형의 구조 파악하기

(1) Topic → subtopic 1 → details → subtopic 2 → details

(2) Topic → subtopic 1 → details → 교수의 개인적 경험 묘사

(3) Topic → 교수의 개인적 경험... 끝

\* Introduction

교수는 대부분의 경우 강의의 초반부에서 '토픽'을 말한다.

이 때 가장 많이 사용되는 signal은 today이다!

그러니 교수가 만일 "Yesterday"나 "last week"과 같은

지난 강의의 내용을 말하면, 이는 언급할 필요도 없다.

**TIP 3: 강의 토픽을 듣지 못했어도 겁먹지 말 것**

(1) Explain류 동사 뒷부분 = 토픽

Ex) Using points and details from the lecture, explain how acacia plants and salt cedar affected the environment.

(2) Concept of 이하 = 토픽

Ex) The professor mentions elephants and gorillas. Explain how they demonstrate the concept of Tools.

(3) 질문이 요구한 2가지 내용 = 토픽

Ex) Using points and details from the lecture, explain the two types of interference.

### **Note-Taking Answer**

Note-taking: Answer

In the lecture, the professor talks about key functions of the cell phone. She gives some examples to illustrate this topic. In the first part of the lecture, she says that people can go on the internet with their cell phones. What I learned is that people can access valuable resources at anytime. Plus, if they are bored, they can download and play video games. Besides, if they need to search for important information, they can do it immediately on the spot.

\* on the spot = 그 자리에서, 즉시

## *places where people often exercise*

**M :** As you all may know, people often exercise to keep their bodies strong and healthy. Right now, let's talk about some places where people often exercise. One place is inside a public facility, such as a gym. Gyms are actually quite popular places for most people. One important thing to note is that... uh... by exercising in a gym, a person can use many machines inside a building. Another thing is that people are able to exercise without having to worry about bad weather, such as rain or snow...

## *key functions of the cellphone*

**W:** "Almost everyone has a cell phone nowadays. Cell phones have greatly improved the lives of many people in the world. Today, we'll discuss some key functions of the cell phone other than making phone calls. Let's see... first, you can go on the Internet with your cell phone. Now, this can be quite useful, since you can access valuable resources at any time. Um... let's just say that you are bored. Then, you can download and play video games. Also, if you need to search for important information, you can do it with your cell phone immediately."
