영어는 상당히 성격이 급한 언어이다.

그래서 긍정과 부정을 문장 앞에서 먼저 결정짓는다.

1. I think life is getting easier these days.

→ 부정: I think life is not getting easier these days. X 어색함

I don't think life is getting easier these days. O 자연스러움

2. I think you are not doing your best. X 어색함

I don't think you are doing your best. O 자연스러움

1. Some students like to study at home. Others prefer studying in the library. Which place do you prefer to study and why?

나의 의견	library
이유 1	get more help 도움 더 많이 받음
- 구체적 근거	-many books 많은 서적 -ask STs 학생들 물음 -great 좋음

Answer

I prefer to study in the library. There are two reasons.

First of all, I can get more help.

Because there are many books in the library, I could also ask some questions to other students.

So, it is great!

2. Some schools make students wear a uniform while other schools allow students

to wear anything they want. Which do you think is better?

나의 의견	uniform
이유 1	save money 돈 절약
- 구체적 근거	X buy clothes 옷 안 사도 -X do laundry 세탁 안 해도 됨 -buy other things (ex: books) 다른 것들을 살 수 있음 (예: 책)

Answer

I think it is better to make students wear a uniform.

There are two reasons.

First, students can save money. To be more specific, they don't have to buy many clothes. Plus, their parents don't have to do laundry that often.

Not only that, students can buy other things with that money such as books.
