3. Review

3번 유형은 효자 종목이다!

1. 공고문/안내문은 제목을 보고 핵심 동사를 찾을 수 있다.
2. 대화는 정직한 'first/ the thing is/ another thing' 대신 But/ not/ come one으로 받아 치는 기술이 필요하다.
3. Reading 요약은 길 필요가 없다. Listening 요약이 더 중요하다.
4. Listening에서 들은 것을 논리적으로 정리하기보다는 'says that / argues that' 이라고 하여 열거하는 것이 더 안전하고 현실적이다.

Listening Script

Basement café in the library

M: Did you hear the news about the new cafe in the library?

W: Yeah, and quite frankly, I don't think it's a very good idea.

M: What makes you say that? Isn't it great that we now have a place to eat at night?

W: But the thing is... the cafe is only going to sell us junk food! ...hot dogs, donuts... uh! These things are really bad for you! Listen... if we eat these kinds of snacks every day, we're going to get really unhealthy!

M: Hmm... well, I guess you're right. I think I'll probably gain so much weight from all that stuff.

W: And there's something else too... uh... if students eat and take breaks in the cafe, they will talk to each other, and that will make so much noise in the library. I think the noise will really bother the other students and make it hard for them to concentrate on their studies.

School gallery closure

W: So I guess the school gallery is going to close pretty soon...

M: Yeah. I can't believe they're actually planning to do this!

W: Huh? You're really upset by this? No one goes to the gallery these days. Don't you think it's such a waste?

M: The thing is... well... the university never advertises the art gallery. Never. You see...whenever there are art exhibitions, nobody knows about them because the university never mentions them in the school newspapers. So that's why people don't go.

W: I see what you mean.

M: And another thing I don't like is ...umm... the university only allows art students to show their artwork in the exhibitions. That's not fair, because there are so many other students of different majors who are really talented. I think the university should give them the chance to display their artwork too.

W: Yeah, you're right. That way, the exhibitions will be more exciting.

M: My point exactly.
