Listening Script

해결책 말하기 연습 1_ Psychology textbook

M: Hey Jessica, have you seen my Psychology textbook? I've looked everywhere for it, but I just can't seem to find it.

W: Oh really?

M: Yeah. Plus, I have to study for an exam soon. Uh! I just don't know where I put it!

W: I think you should check the Lost and Found in the student center. Maybe they might have your book. You should at least take a look.

M: Yeah.. maybe you're right.

W: And another thing you could do is borrow a textbook from the library.

해결책 말하기 연습 2_ Tight budget

W: This semester is getting really hard for me. I need to make some money. I bought so many my things for my classes, and now, my budget is getting really tight.

M: Maybe you should get a part-time job. Check the bulletin board at the student center. I think there might be good job openings.

W: Do you think so? I guess I could try there..

M: Or, why don't you ask your parents for some money? I'm sure they can help you out... and that way, you wouldn't have to work.

해결책 말하기 연습 3_ Hard to make friends

W: Wow, this semester is going by fast!

M: Yeah, I know! And... uh.... I'm a little worried about it.

W: Worried? How come?

M: You see, the thing is... it's really hard for me to make friends on campus. You know I don't live in a dorm, right? So... I just can't see people that often. How can I make more friends here?

W: Have you tried joining some clubs on campus? That's a good way to meet people.

M: Uh.. I don't know about that.. I have so much schoolwork these days. I don't think I'm going to have time for a club.

W: If your studies are an issue... then... how about making a study group with some of your classmates? That way, you can make friends and keep up with your work in school.

해결책 말하기 연습 4_ Philosophy course

W: Mike, can you help me out? I have a bit of a problem right now.

M: What's the matter, Jane?

W: I was planning to take a Philosophy course this semester. You see, I need to take it because it's a required class. But I just found out that the class is full right now.

M: Oh that's not too bad.. Can't you just wait until next semester and take it then?

W: But I have to take other classes next semester. The course won't fit into my schedule at all.

M: Then, the only other thing you could do is talk to the professor about your situation.
Maybe he'll let you take his class anyway.

해결책 말하기 연습 5_ Graduation is coming soon

W: Graduation is coming soon. Have you made any plans yet?

M: No, and I am getting really worried. There aren't that many jobs available for me... so
I don't know what I'm going to do after I graduate.

W: I see... Have you tried looking into some graduate schools? You could apply to a
grad school and get a degree. That way, you can have better qualifications.

M: I don't know... the application is going to be so much work! I have to write essays,
search for colleges...Uh! Isn't there anything else I can do?

W: Then what about this... you could always travel abroad. Take some time off and visit
Europe or something. It's always a good way to relax and have some fun.

해결책 말하기 연습 6_ I broke my leg

M: Cathy? What happened to your leg?

W: Oh, hi Mike... it's nothing... I just broke my leg during soccer practice.

M: Ouch! I'm sorry to hear that...

W: Yeah.. the doctors said it will take some time to heal, but I have a bigger problem
right now.

M: Yeah? What is it?

W: You see.. I have to go to the university right now to teach a class. But since my leg is

broken, I don't know how I am going to get there.

M: Hey.. Why don't you take a taxi there? It's really fast, so you won't feel too uncomfortable inside the car.

W: But won't it be expensive? I don't have a lot of money right now.

M: Then... maybe you should ask a friend to drive you there. Do you know anyone who has a car?

W: Well, I guess I could... but most of my friends are at work right now, so it will be hard for me to find someone at this moment.
