Dear editor,

I graduated this university 30 years ago. I am grateful for all the academic benefits I got. But there is one thing. I didn't learn how to give a good presentation. It is necessary to give a professional presentation nowadays and I still have a hard time....blah blah. So, it would be better if the university offers presentation class as a part of communication course... 불만 불만....

## <읽기지문 해석>

### *Required Writing Courses*

The Science Department has recently announced a new course requirement for all science majors. All students who graduate after May of next year must take at least two writing classes as part of their core curriculum. We feel that this new policy will not only help students write better papers for their classes, but also benefit them in their future careers.

### 필수 영작 과정

이공학부는 최근 모든 이공학 전공자들이 새로운 필수 과목을 수강할 것을 알렸다. 내년 5월 이후에 졸업하는 모든 학생들은 적어도 2가지의 영작과목을 교과과정으로 이수해야 한다. 우리는 이 새로운 정책이 학생들로 하여금 그들이 수강하는 과목의 리포트나 논문을 더 잘 쓰는데 도움이 될 뿐만 아니라 그들 장래의 직업에 이득을 줄 것이라고 생각한다.

### *Gymnasium Expansion Plan*

The Recreational Department has announced plans to expand the university gym. This new plan will increase workout space and add more equipment to the gym. And with this new plan, the university will build several extra facilities next to the gym, such as a racquetball court and a golf range. Construction will Begin at the end of Spring.

### 체육관 확장 계획

레크리에이션 부서는 대학 체육관의 확장 계획을 공식 발표했다. 이 새로운 계획은 운동 공간을 넓히고 더 많은 운동 기구를 보충한다는 것이다. 그리고 이 계획과 더불어, 대학은 라켓볼 코트와 골프장과 같은 몇몇의 여분의 시설을 준공할 것이다. 건설은 늦봄에 시작할 것이다.

### *New Art Building*

Next semester, the university will begin construction of a new art building next to Gallatin Hall. Professors have mentioned that the rooms in the current art building are too small and dark, so students always feel uncomfortable when studying. Moreover, we can't hold art exhibitions or other activities in the current art building because of the space. The university will fix these problems shortly.

#### **예술대학 건물**

다음 학기, 대학은 Gallatin Hall 옆에 새로운 예술대학 건물의 건설을 시작할 것이다. 교수들은 현재의 예술대학 건물이 너무 작고 어두워서 학생들이 공부할 때마다 불편을 느낀다고 언급했다. 더군다나, 현재의 예술대학 건물의 공간 사정상 전시회나 또 다른 활동들을 개최할 수 없다. 대학은 이 문제들을 즉시 시정해야 할 것이다.

#### **<Listening Script>**

##### ***Required Writing course***

**W:** Hey Billy, do you know that we have to take writing courses now?

**M:** Uh huh, and I think it sounds like great.

**W:** Huh? Why do you say that?

**M:** Well... you see...I always needed stronger writing skills. I've always made so many grammar mistakes in my reports.

**W:** Oh, I didn't know that...

**M:** Yeah, and another thing is that... these writing courses can help prepare me for graduate school. We have to write so many reports in graduate school.

**W:** I see, then maybe we should take some classes together.

### ***Gymnasium expansion plan***

**M :** Hey, I heard the university is going to expand the gym! This is good news, isn't it?

**W:** Actually, I don't think it's really necessary.

**M:** Why do you say that?

**W:** Umm... For starters, the gym is never too crowded when I go there. I exercise there everyday, and I never had to wait in line in order to use the machines.

**M:** Okay, but what about the extra facilities? Won't they be fun?

**W:** Now, that's the other thing.. I think that adding extra facilities is just a waste of money. Right now, we already have so many facilities, such as a tennis court and a swimming pool.

**M:** Hmm... you do have a point there.

### ***New Art building***

**M :** Do you think that constructing a new art building is a good idea?

**W:** Definitely. The university made the right decision.

**M:** Really? Care to explain?

**W:** Come on, you should already know.. The rooms in the current building are so dark and worn out! I mean....it's so hard to draw pictures or paint anything there.

**M:** You're right. Those rooms are so old and disgusting.

**W:** And... if they construct a new art building, I think it will help improve our school's reputation. Then, more students will want to come to our school
