Answer (On-line Courses)

I prefer to take courses on-line. I will give you two reasons why. My first reason is that it is convenient. By taking courses on-line, I can study virtually everywhere.

What's more, I can see one lecture several times or several lectures at once. And another reason is that I can save money and time. What I mean is that on-line courses are usually cheaper than regular courses. Plus, I don't have to spend money on transportation since I don't need to commute to school.

Answer (마무리하기)

So, for these reasons ~

I prefer to take courses on-line 보다,

- I would like to take on-line courses.

So for these reasons, I prefer~

Answer (Traditional Books)

I prefer to read traditional books. There are two reasons why. First of all, it is good for my health. What I mean is that I'm not exposed to electromagnetic waves, so it is good for my eyes and brain. And another reason is that I don't need to worry about battery. To be more specific, e-readers are virtually useless if

the battery runs out. Actually, it is not that convenient than you might think.

종이 책을 Romantic하게 옹호하기

1. I've loved paperback books my entire life.

   Actually, I love the sound it makes when I turn the pages.

2. Also, I adore the comfortable smell of the book.

   Maybe I'm old-fashioned in a sense...
