Re: Summer Personal Insurance Product Management Development Program Intern

Dear Ms. Cotier:

The magnificent symbol of the red umbrella provides customers with security and trust to the Travelers insurance company. The well-being of personal or business products is offered by a wide variety of insurances and surety products to myriad consumers. The considerable financial strength as well as the concept of controlling and evaluating personal and business risks grabbed my utmost attention to the summer internship of Personal Product Management Development Program.

The academic and social skills I obtain all derived from work related experiences as well as leadership experiences. The qualifications and the academic as well as social skills I have will be a positive asset to this program at Travelers. Through the summer internship experience at Korea Bond Pricing, I learned to cope and think internationally. Valuating multinational corporations as well as domestic companies abroad, enabled me to relate the academic skills from the University of Connecticut to the corporate environment at a global level. Moreover, my leadership involvement directly with the Travelers further developed my leadership skills. Working directly with a mentor from Travelers Education Access Initiative program enabled me to take initiatives in finding outside resources on current corporate news as well as build communication skills with a current employee at Travelers. In addition, spending an entire day at Travelers in a Job Shadow program further built the strong work ethic by getting involved with current projects in the Insurance Operation, Claims and the Outsourcing departments.

The internship position for the Personal Insurance Product Management Development Program correlates with the work related experiences and leadership qualities in which I obtain. I would appreciate an interview in order to approach the next steps in the Internship selection process. If you have any concerns, feel free to contact me directly via e-mail or phone at any time. I look forward to hearing from you soon. Thank you for your attention and consideration towards this letter.

Sincerely,  
Johnathan Paik
