본 학습 - 실전 게임 1 Find the Password

Your father, who loved to play puzzles, passed away two days ago. He put his will in a safe, and didn't tell anyone its password. Instead, he left a puzzle. In order to find out the password, you should solve the puzzle. Otherwise, all of his money will go to charities.

How to solve the puzzle

1. Complete the following questions by putting the words in correct order.
2. Choose the grammatically correct answer for each question in the box.
